**SEARCH AND RESCUE HIGH TRAILS REUNION**

Sheriff Richard Pierce announced today that the Search & Rescue Mountaineering Team will be sponsoring their annual High Trails Reunion on August 16-17, 2003. This involves taking physically challenged individuals and their families camping at Courtright Lake in the beautiful Sierras. They will camp and enjoy the outdoor environment at Voyager Rock for an entire weekend. They fish, boat, ride jeeps and have the opportunity to spend quality time with members of the Mountaineering Team. This program provides transportation, meals and supplies to the participants and their families.

This event is made possible with the cooperation of the Sierra National Forest, The Sheriff's Foundation for Public Safety, Fresno County Search and Rescue Unit, Off Highway Vehicle Community, 4 Wheel Drive Club and many private organizations.
