Public Assistance Sought in Missing Person Case

On March 18, 2005, Cathy Gruszie, age 47, was reported missing. Family members called the Fresno County Sheriff's Department and reported that she was last seen in early March. During follow-up investigation it was discovered that Gruszie was last in the company of a subject identified as Martin Cardenas, age 41, from Centerville, on or about March 8, 2005. They were together in the Orange Cove area of Fresno County.

Cathy is described as a white female, brown hair, brown eyes, 5-4, 150 pounds. Martin is described as a Hispanic male, black hair, brown eyes, 5-8, 180 pounds. He has a tattoo of "Martin" on his left arm, a tattoo of "Cardenas" on his back, and a tattoo of "player" on his neck.

Neither Cathy nor Martin has been located, and foul play is suspected. Due to the nature of the investigation few details can be released, however, we are asking the public for help. If anyone has any information regarding the whereabouts of Cathy Gruszie or Martin Cardenas, please contact the Fresno County Sheriff's Department at 488-3111, or Detective Mark Chapman at 488-6754.

Cathy Gruszie
