**Fresno County Sheriff's Department Camp Reward
2005**

Sheriff Richard Pierce announced today, the Fresno County Sheriff's Department would again host summer youth camps (Camp Reward) in the Lake Sequoia area. Specially trained Sheriff's deputies present the E.S.S.P. (Elementary School Safety Program) curriculum in local schools to educate our youth in decision-making and drug abuse resistance.

Numerous community establishments have partnered with the Fresno County Sheriff's Department in an ongoing effort to prevent violence and reach children at a young age. The sponsorship for these camps allows for over (300) Fresno County children to attend one of three 5-day summer camps after successful completion of the E.S.S.P. curriculum. We would like to thank all the communities support and sponsors in making this event possible.

Camp Reward hosts a Career Day on Thursday from 1:30 PM – 3:30 PM during the week of each Camp to educate the children on possible career choices and allows for school administrators and Media to visit the Camp to view and/or participate in Career Day.

Career Day Dates: June 9, 2005
 July 7, 2005
 August 4, 2005
