**Fresno County Sheriff's Department Investigates Shooting at
Shaw and Wishon**

On Sunday at about 10:50pm the Fresno County Sheriff's Department received several calls from residents in the area of Shaw and Wishon Avenues reporting "shots fired" in the area. Some of the callers indicated the shots sounded like they were coming from Shaw Avenue. At about the same time Sheriff's Department dispatch received information from Fresno PD dispatch and FPD's Air Unit that they had located a victim of a shooting at Shaw and West Avenue. The victim was shot while in a vehicle as it was driven on Shaw Avenue.

Deputies from the Sheriff's Department and Officers from Fresno PD converged on the area and determined that the shooting occurred on Shaw Avenue near Wishon Avenue, in Fresno County. The victim of the shooting was transported and admitted into University Medical Center. The victim, whose identity is not being released, is listed in stable condition with non-life threatening gunshot wounds.

The initial investigation has revealed that this shooting may be gang related. The suspect is believed to have fired the shots from a white 97 Olds with tinted windows. The suspect vehicle was occupied by four Hispanic male adults. There is no further description of the suspects of vehicle.

Anyone with information is asked to call Detective Richard Gallegos at (559)488-3921 or CRIME STOPPERS at (559)498-STOP(7867).
