Detectives Work to Return Stolen Property to Rightful Owners

Property crimes detectives with the Fresno County Sheriff's Office recently recovered a variety of stolen items from a home in the Sanger area and would like to return it to its rightful owners. Detectives believe the items were taken during burglaries at many different locations. They are asking the public to take a look at the pictured items, which include tools, electronics and furniture.

If you think you are the rightful owner of something shown, contact Detective David Pugliese at (559) 600-8173. Please have a crime report or case number available for detectives to refer to so that they can cross reference it with the stolen item.
