Surveillance Camera Records Thieves Stealing the Camera

Fresno County Sheriff's detectives are seeking the public's help to identify two men involved in the theft of a surveillance camera. The homeowner's surveillance camera captured clear images of the men driving onto the property and walking around.

*****Video provided through a download link*****

The theft occurred at 3:15 pm on August 11th at a home in the area of N. Fruit and W. Ashlan Ave. in Fresno. Four cameras positioned on the property show two suspects drive up in a white, early 2000s model Ford Explorer XLT. The Lorex brand camera in the driveway was the only one stolen. This is also the camera which captured images of both suspects prior to one of them disabling it by ripping it off the house.

Suspect #1 is described as being Indian or Hispanic. He was wearing a Los Angeles Lakers hat and has tattoos on his forearms.

Suspect #2 is described as being white, with a mustache and a tattoo of the name "Priscilla" on his right forearm.

Anyone with information on the suspects is asked to please contact the Sheriff's Office at (559) 600-3111 or call Crime Stoppers at (559) 498-STOP (7867).
