On December 3rd, around 11:15 am, Wesson left his home located along the 3200 block of Bundy Ave. in Clovis. He was driving a 1989 white, single cab Chevy pickup which has a rear slider window. The California license plate is 4W05582. Family members reported Wesson missing on December 6th. They say it is unlike him to leave for an extended amount of time and not notify anyone.

Wesson does not need to take medication, however, he is considered to be "at-risk" due to ongoing medical issues.

Wesson is described as a white male, 5'9"/ 160 lbs. with blue eyes, a goatee and gray shoulder length hair that's balding on top. He also has a large mole on his right elbow. He was last seen wearing a black sweatshirt, blue jeans, dark colored tennis shoes and a black jacket with a white logo.

Anyone with information on the whereabouts of Kenneth Wesson should call the Fresno County Sheriff's Office dispatch center at (559) 600-3111 or Crime Stoppers at (559) 498-STOP (7687).
