Coroner's Office Needs Help Finding Relatives of Deceased Man

The Fresno County Sheriff - Coroner Office needs help locating family members or friends of Anthony Herrera. The 37-year-old is described as 5'10", 180 lbs. with hazel eyes and brown hair. There is a tattoo on his chest with the name "Herrera" and a tattoo on his left arm with the name "Maria."

On October 13th, 2015, Herrera was found unresponsive behind a building on the southeast corner of Blackstone and Belmont Avenues in Fresno. Paramedics performed CPR, but Herrera passed away.

Staff at the Coroner's Office have searched numerous personal records, but their attempt to find his relatives have been unsuccessful. Locating family or friends is a necessary process in order for the Coroner's Unit to release the body and allow the person to have a proper burial.

Anyone with information is asked to please contact the Coroner's Unit at (559) 600-3400 or the Sheriff's Office at (559) 600-3111.
