CARUTHERS UNIFIED SCHOOL DISTRICT

PRESS RELEASE

The Caruthers Unified School District would like to let our community know it is fully aware of the investigation involving employee Gregory Carr, which has led to his arrest. We also want our parents and staff to know that we have worked with the Fresno County Sheriff's Office from the beginning of the investigation and will continue to do so.

Upon learning of law enforcement's involvement the night of August 11, 2016 Caruthers Unified placed Mr. Carr on paid administrative leave the morning of August 12, 2016 pending the outcome of the investigation. He most recently served as a seventh and eighth grade instructor at Caruthers Elementary School and has been with the school district for over 20 years. We are unable to comment further due to this being a personnel matter.

Caruthers Unified School District strives to promote academic achievement for all students, maintain a safe and healthy school environment, provide opportunities that develop positive character and guide and prepare students for post-secondary opportunities.
