Detectives Searching for Man in Stolen Vehicle Who Attempted to Burglarize Home in Selma

Around 3:30 pm on April 11th, the Fresno County Sheriff's Office received a report of a house being broken into on the 4500 block of E. Mountain View Ave. in Selma. Deputies responded and discovered a surveillance camera had captured video of the suspect using a screwdriver to break out a window of the house. It's believed the suspect got startled and left the scene before being able to take any items from the home. The suspect was seen leaving in a white GMC Yukon with large rims.

Deputies determined the suspect's SUV was a match to reported stolen vehicle from earlier the same day. The theft of the vehicle occurred at a business on the 8400 block of S. Lac Jac Ave. in Parlier. It's a white 2004 GMC Yukon with CA license plate #5KBD775. A photo of the actual car is included with this press release.

Anyone with information about the suspect or the vehicle is asked to contact Detective Darrel Olivas at (559) 600-8173 or Darrel.Olivas@fresnosheriff.org. You may also contact Crime Stoppers at (559) 498-7867. You will remain anonymous and may be eligible for a cash reward. Please reference case # 18-5392.
